Dear valued customers, neighbors, and friends,

As the country continues to take new measures to combat COVID-19, states and local governments are beginning to enact "Stay at home" orders. Gordon & Sons Water Well Drilling, Inc is taking this time seriously while continuing to offer our services to those in immediate need.

Water services are essential to our country's infrastructure capability and to your home and we will continue to offer services with some changes. We are limiting our services best we can to essential services only. Routine yearly care, wellness checks, and other non-immediate water needs will be rescheduled at this time. Please continue to contact our offices if there is an immediate need for water services.

We have closed our offices to the public to appointment only until further notice. This is a step we are taking in order to protect our team, our customers and those in the communities in which we do business. We encourage you to contact us via phone if there is an immediate need for water services. Payments on accounts can be made via phone or mail as we will still be in the office.

Below is the contact information for our office:

Office: 517-431-2650

Toll Free: 1-800-541-3838

Fax: 517-431-2795

Email: [gordonwelldrilling@aol.com](mailto:gordonwelldrilling@aol.com)

Web: [gordonwelldrilling.com](http://gordonwelldrilling.com)

Thank you for your patience and support during this time.

Sincerely,

Gordon & Sons Water Well Drilling, Inc.
